

The illustration depicts a cozy winter scene. A woman with blonde hair, wearing a white cable-knit sweater, a red scarf, and blue jeans, sits on a wooden porch. She holds a white mug with a red heart on it. Beside her, a brown and white dog with a red plaid scarf sits on the snow. The porch is decorated with a red door, a wreath, and several wrapped gifts. A lantern with a lit candle sits on the steps. The background shows a snowy landscape with a house and trees.
